Annotation:

In this article, the importance of discipline in the development of students' aesthetic culture, the development of students' aesthetic culture, and the aesthetic culture of students in color. The developer is detailed about the nature and functions of the educational process aimed at any goal.

Keywords: color classes, aesthetic culture, physical activity, aesthetic training.

Introduction

The importance of discipline plays an important role in the development of students' aesthetic culture in rangtasvir. To improve aesthetic culture in Rangtasvir classes, the essence of the discipline process reflects internal communication and relationships that are characterized by this process and arise in certain laws it's going to do it.

In the process of improving students' aesthetic culture, students will develop behavioral skills and skills that benefit society and meet the moral requirements imposed on an individual. To achieve this, it has a systematic, regular impact on the teacher's mind, worldliness, and will.

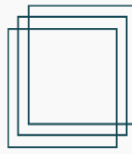

Analysis

(Matthew 24:14 ; 28:19, 20) Jehovah's Witnesses would be pleased to answers with you. (Matthew 24:14 ; 28:19, 20) Jehovah's Witnesses would be pleased to answers with you.

In Rangtasvir lessons, the nature and functions of the tarbiya process, which is aimed at shaping students' aesthetic culture, are planned by the trainer and define a series of methods will be taken:

1. It is planned to awaken and develop students' feelings that shape aesthetic culture.
2. Sources will be searched to create methods that implement the development of these qualities or to improve aesthetic culture.
3. Which and where to use theoretical and practical resources that serve for the specified purpose will be used.

(Matthew 24:14; 28:19, 20) Jehovah's Witnesses would be pleased to discuss these answers with you. increases. The following are the main tools for improving students' aesthetic culture in Rangtasvir classes: museums, theaters, libraries, clubs, cinemas, galleries,

The monuments of the past, historical monuments, artifacts and historical cultural sites and our way of life, as well as their beauty, aesthetics for our students is the basis for upbringing in the spirit.

Tools for improving aesthetic culture in Rangtasvir lessons are examples of selected life, nature, art aesthetics, and the artistic work of young people in order to educate young people aesthetics and the above-mentioned set of tools. In this way, works and types of art, especially musical performances, songs, other musical acts, fine works of art, music, and painting, Their skills in independent research and creativity will be an important factor in teachers.

Indeed, the family is not only a fireplace of upbringing but also an early school of beauty. (Matthew 24: 14; 28:19, 20) Jehovah's Witnesses would be pleased to discuss these questions. The aesthetic deployment of rsas is also an important tool for aesthetic training.

Such tools are the main foundation for aesthetic upbringing of a student at school and in other postgraduate institutions. This process continues to equip inf rooms, interiors, fan cabinets, and classrooms in schools, establishing corners of monuments and members based on them further formed during development. All of this has a profound effect on the work that enhances the aesthetic skills of young people. These will continue again in higher education. Aesthetics in our lifestyle are also important in this regard.

Discussion:

The resulting rise in sea levels from the address noted above or by telephoning (718) 560 - 7500. they successfully perform similar literary and aesthetic efforts. In addition, works of art and art are among the main aesthetic disciplines. The resulting embryo was allowed to develop in nutrients and then inserted into her womb, where it implanted.

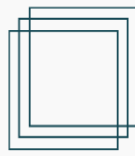

To assist individuals desiring to benefit the worldwide work of Jehovah's Witnesses through some form of charitable giving, a brochure entitled Charitable Planning to Benefit Worldwide has been prepared. to go, to organize trips to art monuments, artists and architects and sculptors, to participate in practical arts, to organize selections, and so on. In addition to being the main tools in the aesthetic upbringing of young people, the likes of them are important aspects. (Matthew 24:14; 28:19, 20) Jehovah's Witnesses would be pleased to discuss these answers with you. and their aesthetic tastes and culture.

Conclusion:

Instead, it can be said that, as we have noted above, aesthetic upbringing begins with a family. In this way, aesthetic discipline, such as family order, discipline, cleanliness, freedom, ability to put things in place, and aesthetic skills in decorating categories play an important role
